ABOUT EVENT

Women & Wealth will host its fourth annual event, "Women Who Lead," a gala and awards ceremony celebrating women in leadership. The evening will honor women who lead in our community and will feature a guest speaker, a formal dinner, and the presentation of awards recognizing women who advance leadership and create meaningful impact.

Join us on Saturday, March 28, 2026, in Rockford, Illinois, as we empower and propel women to drive social and economic change in our community. This gala is vital as we invest in the power of women. We need partners like you to help ensure a successful and inspiring celebration. Together, we can create unlimited possibilities while honoring Women's History Month.
